

A Guide to J.S Crawford 3rd Generation Ltd
Part-Exchange Scheme

Part-Exchange

With our new Part-Exchange Scheme you could trade in your existing home for a brand new home of your choice.

Once you have chosen your brand new home we shall arrange for an independent professional valuation of your present property. Based on this valuation J.S Crawford 3rd Generation Ltd shall make you a fair offer within 10 days of the valuation.

Once accepted we will proceed in finishing your new home incorporating where possible your selected client choice items (subject to stage of construction).

Offers are subject to status, contract and availability. We will consider any property on its own merits, although we do reserve the right to decide whether or not it is acceptable for the Home Part-Exchange Service.

For further information or to discuss any part of the home-buying process please do not hesitate to contact us.
